

APMS PTSA MEMBERSHIP

Dear APMS Community,

Our children are back in school and the need is greater than ever before for a close relationship between home and school. PTSA is an organization made up of parents, teachers, students and other community members with the sole purpose of helping children and youth.

Parents can increase their involvement with their children and show their interest in the school system through PTSA. We expect so much of our children in their school achievements and school conduct. By joining the PTSA your child will be pleased to know you are taking an active part in their education. We need the strength of your supportive membership now more than ever. Please join today! PTSA meetings are held at 6:30 p.m. every first Tuesday of the month in the Media Center.

Students, as a student member of the PTSA you may express what you feel are the needs of your school and community. You are an essential and involved member of our school system. Your input is very valuable. Be an active voice! Please join the PTSA now! Our first meeting date Sept. 15, 2009 at 6:30PM.

“Together we can build a better future.”
