

North Middle School Breakfast Program – Begins September 2, 2003

ENROLLMENT DEADLINE

First Semester

Friday, September 12, 2003

Recent studies have shown that children who skip breakfast are more easily distracted in the classroom and that hunger reduces their ability to learn. Breakfast is one of the most important meals. Whether it is breakfast at home or at school, a good breakfast will help give your child a great start to do his or her best in school.

The cost for a fully paid breakfast is \$1.00. The cost for reduced breakfast will be \$.30. If your child is currently eligible for free or reduced priced lunches, he or she is automatically eligible for a free or reduced priced breakfast.

Please go over the form with your child if he or she is going to be enrolled. This form must be returned to their first hour teacher by September 12, 2003. Please remind your child that the breakfast program is a privilege and appropriate behavior is expected. If you have any questions regarding the above program, please feel free to call Mr. Stokes at 697-9171.

If your son/daughter is to enroll in this program, the following rules must be clearly understood and followed:

1. Breakfast students will be released from their buses at 8:08 a.m. to enter the building and go directly to breakfast. Students need to be conscious of their time. They must eat quickly, stop at their locker (if necessary) and proceed to first hour.
2. Students must be in class by 8:21 a.m.
3. Appropriate student behavior is expected at all times. Two teachers supervise the Breakfast program. If disruptive behavior occurs, the student will be released from the breakfast program. A list of policies and procedures will be distributed the first day of breakfast. Students who do not attend regularly will be referred to the principal.
4. This breakfast program lasts for the entire semester.
